Booking Conditions

Driver's Licence and Minimum Age

A current and full motor vehicle driver's licence is required to be shown at pick-up and all drivers need to be present. If the driver's licence is not in English then we require an accredited English translation or an International Driving Permit.

Drivers of Mighty Campers (Highball, Double Down) and MightyLITE Campers (HiLITE and DeLITE) must be 18 years of age or over, with a full driver's licence.

For all other RV types drivers must be 21 years of age or over with a full driver's licence and the licence must be valid for the entire booking duration.

It is important to select the correct country in which the driver's licence was issued to ensure correct rates are calculated. If the hirer presents a driver's licence that is from a different country to which the booking was created the guest may incur additional charges.

Booking Duration

An RV holiday allows guests to travel at their own pace. To ensure our guests get the most out of their road trip a minimum five-day rental period applies when pick-up and drop-off is from the same branch location.

Higher minimum rental periods apply for all brands as follows and are subject to change:

- 14 day minimum hire period for Christmas 19 December 2027 to 03 January 2028.

One-way Bookings

Road trips don't always finish where they start, and some of the best adventures take you far and wide. If a guest drops off at a different branch location from which they picked up, a minimum booking period along with a one-way fee applies per below:

- 7 day minimum applies for travel from AKL to CHC from 01 April to 30 September 2027
- 10 day minimum applies for travel from AKL to CHC from 01 October 2027 to 31 March 2028
- 10 day minimum applies for travel from AKL/CHC to ZQN from 01 April to 30 September 2027
- 14 day minimum applies for travel from AKL/CHC to ZQN from 01 October 2027 to 31 March 2028

Additional minimum periods may apply and will be reflected accordingly on the booking details, if applicable.

One-Way fees:

One-way ^fees are applicable. (^Refer to the fees table on page 8.)

Multiple Rentals

Should a guest have more than one consecutive rental in either Australia or New Zealand that in total are 21 days or more they can be combined to qualify for longer-term hire discounts off the daily vehicle rates.

To request the application of the discount please contact our Reservations crew.

Discounts

Guests who love road trips as much as we do and travel for at least 21 days, receive 5% off daily rates. This is also available to guests with multiple bookings that total 21+ days.

Booking Payments, Changes and Cancellations

Confirmation and Payment

thl requires a deposit of $250 at time of booking regardless of your rental value. The remainder of the rental value will be due 30 days prior to pick-up.

Bookings made less than 30 days prior to pick-up require full payment at the time of booking.

Booking Alterations

We understand that sometimes plans change. Changing the vehicle type, pick-up date, pick-up location, drop-off date and/or drop-off location may lead to additional charges. Any change in rental charges will be presented at the time of alteration. If the alteration is being made 60 days prior to pick-up, or less, a $50.00 booking alteration fee will also apply. Bookings with Flexible Change Cover will be eligible for one fee free amendment within 60 days prior to pick-up (subject to availability).

Change to the Drop-Off Location after Pick-Up

If you wish to change your drop-off location after pick-up, please get in touch with our friendly Reservations crew who will be happy to help. Our crew will advise if the change is possible and the applicable fee.

Extending a Road Trip

If you get swept up in the adventure of a road trip and want to extend your booking whilst on the road, first contact our friendly Reservations crew who will happily advise if the extension is possible and any associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at a *thl* branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions, however it is subject to RV availability.

Change of RV

We understand guests' needs are different and therefore our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however, should the RV booked be unavailable due to unforeseen circumstances, we will substitute the booked RV with an alternative available RV at time of pick-up, at no extra cost. Any changes made to the booked RV and agreed to by the guest do not entitle the guest to a refund.

If the guest chooses to take 'The Low Road', they will be responsible to pay for damage to the RV, where they are at fault. The liability amount, which varies by RV type, applies per claim. This is applicable regardless of if the guest has purchased private travel insurance.

If the guest chooses to take 'The High Road' their liability for damage will be zero (subject to exclusions). However, the guest will be responsible for the total costs of any damage, and 'The High Road', 'Value Pack' and the 'Platinum Pack' (if taken) will be void if:

- the guest breaches any of the Rental Agreement Terms and Conditions terms and that breach is the cause of or contributes to the relevant damage.
- the damage is covered by any of the exclusions in the 'Other Important Information' section set out below.

Damage

^Damage means any loss or damage to the Vehicle, which is not noted on the Vehicle Condition Report, including that caused by theft of the Vehicle or by adverse weather events, that requires repair or replacement including the loss of use of the Vehicle, legal expenses, assessment fees, towing and recovery costs (from roads and areas where permission to travel had been granted by *thl*), storage, service charges and any appraisal fees of the Vehicle. **There are exclusions to Reduction Option cover where the Guest will be responsible for all costs, as outlined below:**

Liability Exclusions

- Damage caused where the terms of Rental Agreement have not been met by the guest.
- Damage caused by negligence and/or wilful conduct.
- Damage caused to the RV in any way by part or total water submersion or salt water.
- Damage caused to the RV when using the RV in contravention of any legislation or regulation controlling vehicular traffic.
- Damage and associated costs with recovery of a bogged vehicle.
- Damage or loss caused to any personal belongings.
- Damage or loss caused by a guest's pet.
- Damage caused due to use of incorrect or contaminated fuel.
- Damage caused to tyres and windscreen except where the 'Platinum Pack' or 'Windscreen and Tyre Protection' has been purchased and applies.

Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

Personal Injury

The RV has Third Party insurance cover, and it is likely that any other vehicle involved in an accident also has Third Party insurance. Depending on the circumstances of an accident, the guest may be entitled to claim for their personal injury against the Third-Party insurance of the party responsible for the accident. *thl* strongly recommends that all passengers take out their own Personal Injury travel insurance.

thl does not accept any liability for personal injuries sustained during the rental. Except where such loss or damage is caused by *thl*''s (or that of its employees) own negligence or breach of the Rental Agreement Terms and Conditions. *thl* does not accept liability for any loss or damage to any personal belongings or property of the Customer (or any person or entity related to the customer).

Property Damage

The RV is insured for damage to it and damage to the property of a third party. However, the guest is responsible up to the amount of the applicable Liability for damage to third party property, or to the RV. The guest is also responsible for the cost of the daily rate for the period the vehicle is being repaired. There is no refund for any unused portion of the rental period. The Liability applies to each claim, not RV.

thl reserves the right to charge the guest for any RV damage, which they are responsible for, including Third Party property damage not reported but identified on return of the RV.

Online Check-In, Pick-Up & Drop-Off

Online Check-In

We ask that all guests complete *thl* 's online check-in no less than 30 days prior to pick-up; the same way you would check-in for a flight. This ensures we have the right information about you, and all guests who will be driving the RV during your trip. You will also be asked to watch the *thl* Safe Driving video, which is full of tips and advice on driving an RV in New Zealand. You can access the Online Check-in at https://sci.thlonline.com/.

thl Roadtrip App

The *thl* Roadtrip App is custom built for guests travelling in Australia and New Zealand. The free app provides our guests with all the necessary information needed to make their *thl* journey an amazing experience.

The app is designed to:

- Provide information on your closest campgrounds, bookable directly through the App.
- Enhance guests' holiday experience by providing a show-through video of their RV prior to pick-up, so that they become familiar with their vehicle before arriving at the branch and prepare any questions they may have.
- Educate our guests on how to use the vehicle with a bunch of CamperHelp 'how-to' videos, as well as a video on safely driving an RV.
- Provide *thl* contact details to extend their holiday, contact roadside assistance helpline and email any other enquiries.
- Search and book great deals on attractions and activities.
- Find helpful travel information such as branch locations, nearby petrol stations, dump stations, supermarkets, and ATMs.

Guests can download the app from Google Play or the App Store.

What to Expect on Pick-Up

Each driver needs to present their physical, full, valid driver's licence upon collection of the campervan (photocopies are not accepted) and all drivers are required to sign the rental agreement.

If the driver's licence is not in English, then we require an accredited English translation or an International Driver's permit, along with the physical driver's licence. We must sight both at pick-up otherwise we cannot release the RV.

The RV can only be collected within the branch operating hours. Guests need to be there no later than an hour before closing time.

Please ensure your guest allows plenty of time at the branch for the pick-up process. We want to give each guest the space to ask any questions they may have to ensure they can get on the road safely, and with confidence. We find some guests need more time than you'd expect to pick-up a camper, as there a few more things to run through than with a usual car hire. Please ensure your guest allows enough time so we can show them everything they need to know and make sure they have an awesome road trip.

Where Children Sit

All children aged seven years and under must travel in an approved child restraint. The type of restraint required for each child depends on their age and size. Guests must refer to the child restraint guideline on our websites for the appropriate child restraint. A maximum of two child restraints can be fitted to RVs (model dependent).

Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RV needs to be returned to the branch in the condition that it was taken, with full LPG bottle/s, full tank of fuel, with the tank full of AdBlue(where applicable), with the interior cleaned as well as the holding tanks and toilet cassette (where applicable) emptied. The RV exterior does not require cleaning unless it's covered with

excessive dirt or mud, making it difficult for our team to see its return condition. The Drop and Go Pack or Refuelling Pack are available to be pre-purchased or added on pick-up to offer quick and easy return.

thl branches are located across New Zealand, allowing you to plan for road trips both long and short. For guests who pick-up or drop-off at our Queenstown branch a single location ^fee applies. All RVs are available in all locations. (^Refer to fees table on page 8.)

On The Road

Travel Restrictions

Not all RVs are suitable for all driving situations, so it's important the right RV is chosen for the travel planned. *thl*, at its discretion, may restrict RV travel in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period. If applicable, any further restrictions will be mentioned at pick-up. Guests are encouraged to contact On-Road Assist on 0800 788 558 or +64 9 801 3857 if they have any concerns regarding road accessibility.

For the safety of guests, the following travel restrictions are in place:

- All RVs can only be driven on sealed/bitumen roads. The only exception to this is well-maintained access roads less than 12 kilometres long which lead to recognised commercial campgrounds and major tourist attraction or loose road surface on any major ski field access roads or any recognised campground access road less than 12 kilometres in length.
- No RV shall be driven on Skippers Road (Queenstown), the Crown Range Road/Cardrona Valley Road, Ninety Mile Beach (Northland), Wanaka – Mt Aspiring Road beyond exit to Treble Cone, Ball Hut Road (Mt. Cook) and North of Colville and Waikawau Township (Coromandel Peninsula).
- No RV shall be driven on any ski field access roads from 01 June to 31 October.

Guests who travel to restricted areas without permission may void the liability option in the event of damage or accident.

Kilometres

For the safety of guests please don't underestimate the time it will take to drive from one point to another. While our RVs include unlimited kilometres, we recommend travelling a maximum of 250 kilometres per day or the equivalent of 4-5 hours driving. We encourage our guests to take a break from driving at least every 2 hours.

Road User Charge Recovery Fee

The cost of using New Zealand's roads is recovered from road users via levies in the price of some fuels or through road user charges (RUC). The Road User Charge Recovery Fee will be calculated and collected on return of the RV based on the kilometres travelled during the hire for the RVs that are fuelled by diesel.

The fee per 100km is as follows:

- 4 Berth and 6 berth toilet & shower: $8.18
- All other vehicles: $8.04

The guest can pre-pay the Road User Charge Recovery Fee when they purchase the Pre-paid Road User Charge Recovery Fee option. We reserve the right to amend the Road User Charge Recovery Fee upon Government intervention without notice.

Ferry Reservations

Ferry travel is required for guests moving between NZ's North and South Islands (and vice versa). Ferry availability can be limited during high season. Booking well in advance is advised. We recommend that a reservation is made for an RV length of 7.70m on the ferry, irrespective of the size of the motorhome reserved.

Infringements, Tolls and Fines

thl will pass on any charges the guest receives for traffic infringements, toll, or parking fines during their road trip. For toll way fee received, *thl* reserves the right to charge the guest's credit or debit card upon receiving the toll way fee, along with an ^administration fee. If *thl* cannot nominate the guest for traffic infringements or

traffic fines the guest incurs, *thl* reserves its right to charge the guest's credit card for the full amount of the traffic infringement or traffic fine. *thl* will make reasonable attempts to issue the traffic infringement or traffic fine to the guest. An ^administration fee to cover associated administrative costs per traffic infringement or parking fine received may be charged. (^Refer to fees table on page 8.)

Telematics Monitoring

Our RVs are equipped with a Telematics location monitoring device, for the safety of our guests. This means we can locate and contact them during periods of impending emergency events such as fires or cyclones that may be in the area they are travelling. *thl* reserves the right to also send warnings to guests that are driving in contradiction to our terms and conditions, and/or exceeding speed limits.

Animals

We believe fur friends can only make a road trip better. Pet dogs and cats are allowed to travel in Britz, Apollo and Mighty Campers and MightyLITE Campers vehicles. A ^pet fee applies (excluding service animals). Service dogs are permitted in all vehicles. If a vehicle is returned soiled by a pet, *thl* reserves the right to charge an extra cleaning fee. Our full policy can be viewed on the *thl* website. (^Refer to the fees table on page 8.)

Repairs

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to $100.00 can be completed without authorisation and will be reimbursed upon presentation of receipts. If repairs over $100.00 are needed, the On-Road Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are enrolled in the New Zealand Automobile Association and 24hr mechanical emergency roadside assistance is available if needed. Please contact On-Road Assist on 0800 788 558.

Smoking and Drugs

Our RVs are a smoke free, vape free and drug free zone; hence smoking or drugs are not permitted in any of our RVs.

Guest Responsibility

thl reserves the right to refuse any rental at our discretion.
