It is strongly recommended by Land Transport New Zealand that children should be seated in the rear of a vehicle.

6. Maintenance and repairs

You must:

No claims will be accepted after this period. Weekends and public holidays will mean delays due to mechanic workshops being closed.
- (b) Contact us immediately if you hit a pothole or knock the wheel alignment as this could cause the tyres to wear out quicker than they should. If unreported, costs could be your responsibility.
- (c) Not authorise or undertake any repairs to the Vehicle without our prior authority except to the extent that the repairs are necessary to prevent further damage to the Vehicle or other property, in which case you must first attempt to contact us by phone to inform us of the steps you are intending to take and obtain our approval. You must generally do all things necessary to keep and maintain the Vehicle in its current state and condition.
- (d) All vehicles are registered with New Zealand Roadside Assistance "NZRA" 24-hour roadside service. This covers all mechanical faults with the Vehicle only. The callout cost for the NZRA to assist for non-mechanical faults, such as but not limited to running out of fuel, lost keys, flat batteries, damaged tyres, changing the spare tyre or a breakdown as a result of an accident will be your cost regardless of the insurance option you have selected. Phone us on 0800 772 237 and press 3 to speak to the NZRA. Please note: Spaceships will only reimburse you for the cost of authorised repairs by us if you keep and produce to us the original receipts for those repairs or salvage. Continued operation of the Vehicle after a defect has occurred may lead to a serious accident or consequential damage to the engine for which you the hirer will be held responsible and liable for full repair costs.

7. Non-mechanical repairs

You acknowledge that you will not be refunded fees or for any additional accommodation and food costs in the event that non-mechanical malfunctions occur such as, but not limited to the CD player, fridge, second battery, flat tyres, broken windscreen, lost keys or the water pump and cooker.

8. Our obligations

- (c) Subject to the terms and conditions not being breached by the hirer, if we cannot supply a replacement Vehicle in the event of a mechanical breakdown we will refund your hire fees for any whole days for which you lose total use of the Vehicle from the first point of contact with us onwards.
- (d) If a breach of the terms and conditions has occurred then we reserve the right to not refund any monies whatsoever.

- (g) Unused hire days are non-refundable except if we cannot provide a replacement Vehicle in the event of a serious mechanical breakdown.

9. Insurance options

You are required to take one of the following Insurance Options:

Campervans: Beta (original & award-winning), Beta 2S & 2S Stealth (spacious & more discreet), Beta 2S SC & SC Stealth (self-contained & spacious), Dream Sleeper Mini & Stealth (comfort & more discreet)

1) Standard Bond: This has a bond of \$5,000 and is included in the day rate.

2) Stress-Free: \$0 bond plus added cover (Pay \$30 extra per day). The Insurance Options apply to all ages. See Clause 10,11 and 12 below for more information on your options.

Motorhomes: Family and Luxury Motorhomes

1) Standard Bond: This has a bond of \$7,500 and is included in the day rate.

2) Stress-Free: \$0 bond plus added cover (Pay \$59 extra per day). The Insurance Options apply to all ages.

10. Standard Bond

If you decide to risk it and not take the Stress-Free package, you are responsible for the bond of \$5000 for campervans and \$7,500 for motorhomes. This is the amount you will have to pay for any damages and applies per incident regardless of who is at fault. The bond will be deducted in full immediately upon report of an incident or accident. The bond will be refunded less the bond-handling fee only if we are successful in recovering the full cost of the damages from the third party. We only accept Visa, Visa Debit and MasterCard.

Cash Passports or Travel x are not accepted. The Bond is only frozen, not deducted from your account.

You also agree:

(a) You must provide credit card details to us at the commencement of the Rental Period for the purpose of freezing the Bond. We do not deduct the funds but sufficient funds must be present on the credit card at the time of Vehicle pick up.

(b) In the event of an accident regardless who is deemed at fault your bond will be processed.

(c) The Bond will be debited regardless of any insurance purchased via a third Party.

(d) The Bond is fully refundable provided no damage has occurred to the Vehicle when it is returned to the correct location at the right time; with a clean, rubbish-free interior and the exterior panels are clearly visible so any damages can be seen.

(e) We reserve the right to bank the Bond after the return of your Vehicle for any un-reported fines and damages to the Vehicle or third parties and their property.

(f) Third-party insurance is not compulsory in New Zealand and claims can take months to resolve.

Where the third party causes damage, you may be held liable for all damages even if it was not your fault, therefore we reserve the right to bank and not refund the bond.

(g) In the event the driver's credit card declines we reserve the right to process the bond from any other person(s) name on the Rental Agreement or person(s) that paid for part of the Bond.

Please note: If Spaceships is unable to freeze the full bond you will be unable to commence the hire unless you purchase the Stress-Free option.

11. Stress-Free

For additional non-refundable fees of \$30 per hire day, to a maximum payable of \$1500 i.e. 50 days rental the Stress-Free package will reduce the \$5000 bond to \$0.

The Stress-Free covers the below damages;

Under-body

Exterior panels

Side mirrors

Glass cover

The roof

No one-way fees

Tyres

Cover for gravel roads (*)

Single vehicle accidents (*)

Please note:

(*) Gravel road cover excludes the three restricted roads mentioned in clause 4.

(*) The cost of the replacement tyres (up to two) is covered. The hirer pays for the call-out fee if needed to change the spare tyre.

(*) Single-vehicle accidents (excludes a single-vehicle rollover)

A windscreen replacement starts at \$700. Stone chips start at \$150 each.

We recommend taking the Stress-Free option to reduce your risk and travel with complete peace of mind.

12. Glass cover

This is included in the Stress-Free but if you decide to risk it and travel with the Standard Bond, Glass Cover is a good option to help minimise your exposure. For additional non-refundable fees of \$8 per hire day, to a maximum payable of \$320 i.e. 40 days rental the Glass Cover will cover you for unlimited stone chips (cost \$150 each repair), and loss or breakage of one front windscreen (cost up to \$700 for a new windscreen). This also covers the windows and sunroof.

Please note: Glass Cover is included with Stress-Free. If just taking the Glass Cover the Standard Bond applies. Downtime is not refunded for chip and windscreen repairs.

13. Accidents

In the event of any form of an accident resulting in damage to the Vehicle or any third party property, you must contact us within 24 hours. The following procedures should be followed.

13.1 Third-party accident

- (a) In the event of an accident where a third party is deemed at fault and a replacement vehicle is required all hire days, and Stress-Free will be transferred to a new rental agreement. If Standard Insurance applies a new bond will apply regardless of who is at fault.
- (b) In the event of a single-vehicle accident (excluding a single-vehicle rollover) where a replacement vehicle is required, all hire days are transferred to a new rental agreement. A new Insurance Option is required for the remaining hire days.
- (c) A single-vehicle rollover is deemed careless and driver fault regardless of which insurance option you have. It is at our discretion as to whether the remaining hire days will be carried over to a replacement vehicle. A new Insurance Option will apply if a new rental agreement is created. We reserve the right to not provide a replacement vehicle.
- (d) In the event of an accident in which the vehicle is deemed driveable all hire days and Stress-Free will remain. If Standard Insurance applies, a new bond will apply for the remaining days of hire and must be paid immediately.

14. Time Frame for Settlement of Claims and Bonds

- a) Spaceships will use best endeavours to ensure that any money due back to the client is forwarded as quickly as possible, however, Third-Party claims can take months or even years to resolve. The customer acknowledges that handling of these claims is up to Spaceships Insurer and the Third Party, whether they are insured or not. There is nothing Spaceships can do to speed up this process.
- (b) We agree to refund any Bond applicable within 30 days of receiving final resolution and payment relating to Third-Party claims.
